In 1790 Burke Co. NC he was enumerated with himself, one other male who was under 16; his wife and one other female. He's missing from 1800 census. In 1820 Burke Co. his census tabulation was "100101-01011" which translates to himself and his wife being born before 1775, a daughter 1775-1795, a son born 1795-1803, a daughter born 1805-1810 and a son born between 1810 and 1820.
