

**Some of the Known Descendants of
Edward Chapman
b. ca 1637 England**

[This is a draft version of a work in progress. It is thought to contain error and surely is not complete.]

Most of the following information was submitted by LeRoy B. Clay.

1. **Edward Chapman** #1530 b. Abt __ 1637, England, m. **Elizabeth Fox** #1531. Edward died Dec 19 1675. Edward was made freeman (suggests he had served some time as an indentured person) in 1667. An unpublished source says he arrived in Windsor, CT about 1660. Edward died of wounds received in the attack on the Narragausett Fort, known as the Swamp Fight. His inventory was dated February 1675/6 amounted to 184 pounds+. 61 went to his widow, Henry got 30, Simon 18 and each daughter got 15 pounds.

Elizabeth was the niece of Deacon Henry Clark of Windsor. She had a child baptized after her husband's death. She married Samuel Crow in 1677. The unpublished account, which is much more recent, says she married Samuel Cross, July 12, 1677. [!! Can some one confirm one of those? !!]
