Evidence for Robert being born in Wilkes Co, NC: Enoch Chapman & Mary Barnet were from Burke Co but married in Wilkes Co NC. Enoch is recorded as living next to John Chapman (brother?) in Wilkes Co NC, in 1790 & 1800. Robert is recorded as having been born in North Carolina. Evidence for Robert residing in Franklin Co, IN in 1811: Robert's father Enoch (or his brother Enoch) is found on the 1817 tax list of Franklin Co, IN. Enoch or his son are found on the 1828 Tax List for Whitewater Twp., Franklin. Co along with the Spradlings (in-laws of Polly Sumpter Chapman) and Thomas and William Chapman. In the 1850 census of Edgar Co, Illinois Nancy Chapman Cummins claimed she was born in Franklin Co, IN. It is likely that Robert, his family and some others returned to Claiborne Co, TN, for safety purposes following the great earthquake in 1811/12 and because of the increase of Indian violence associated with the War of 1812. May 16, 1816 Robert

Chapman was assigned to a jury list for October of that year in Claiborne Co, TN. In February 1817 he was sited for not paying his poll tax (50 cents) for the year 1816 and personal property could not be found that the Sheriff could detain. By that time Robert had probably moved back to Indiana or Kentucky.
