“According to family tradition, Robert Chapman was born in 1616, and came to New England from Kingston upon Hull, Yorkshire, in 1635. Recent scholarship (*The American Genealogist* 66 [199]:30-32) indicates the purported Yorkshire origins are inaccurate, and suggests future research in the London area and Nearby counties. In Robert’s autobiographical letter, he described visiting friends in Kent and Sussex before “taking ship,” providing more clues about his origins.”
